

**NOTICE OF PARTISAN PRIMARY
AND
SAMPLE BALLOTS**

August 12, 2014

OFFICE OF THE MANITOWOC COUNTY CLERK

TO THE ELECTORS OF MANITOWOC COUNTY:

Notice is hereby given of a partisan primary to be held in Manitowoc County on the 12th of August, 2014, at which the nominees for the offices named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall state his or her name and address and sign the poll book before being permitted to vote. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence if the elector provides proof of residence. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the partisan primary the elector shall select the party of his or her choice. Voting for candidates of more than one party may invalidate the ballot. You must cast a vote for individual candidates.

Where Hand-Count Paper Ballots are Used

The elector shall choose the ballot of the party of his or her choice.

If the elector votes on more than one party ballot, no votes will be counted.

The elector shall then make a mark **(X)** in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote on the ballot of his or her choice. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote.

Where Optical Scan Voting Systems are used

- If a party preference *is designated*, and votes are cast for ballot candidates of another party or write-in votes are cast in another party, only votes cast in the designated party will count.
- If a party preference *is not designated*, and votes are cast for candidates (or write-in votes are cast) in more than one party, no votes will be counted

The elector shall then fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote under the party of his or her choice. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval or connect the arrow on the write-in line.

When using an **electronic ballot marking device (“Automark”)** to mark an optical scan ballot, the elector shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote.

Where Touch Screen Voting Systems are Used

The elector shall touch the screen next to the party of his or her choice. The elector shall then touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote.

The vote should not be cast in any other manner. Not more than five minutes time shall be allowed inside a voting booth. Sample ballots or other materials to assist the elector in marking his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If an elector spoils a **paper or optical scan** ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. The elector may spoil a **touch screen** ballot at the voting station before the ballot is cast. .

After casting his or her vote, the elector shall leave the voting booth and properly deposit the ballot.

After Voting the Ballot

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall then deposit the voted ballot in the ballot box (or deliver the ballot to an inspector for deposit), deposit the un-voted ballots in the discard box, and promptly leave the polling place

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve so the marks do not show. The elector shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

After an official **touch screen** ballot is marked, the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.
