Manitowoc County Planning and Zoning is in the process of updating the Farmland Preservation Plan for the County. The Town Board and the Town Plan Commission have been asked to help determine Farmland Preservation areas. By using the criteria the town used in the zoning update done in 2011, the Town Board suggested and the County agrees that Farmland Preservation areas will be parcels that are zoned EA. All other zoned parcels (GA, LE, NA, RR, etc.) will be non Farmland Preservation. If you would like your non Farmland Preservation parcel to remain in Farmland Preservation, contact the Town Chairman Richard Duckett (863-2555) or Supervisors Bill Enz (863-6889), Pat VanGroll (863-8477), Mike Albers (863-8778), Fred Lemens (863-8278) or Manitowoc County Pete Tarnowski at 683-4185 with your parcel number. To review the zoning map or the Farmland Preservation Map, check out the Town of Cooperstown website (www.townofcooperstown.com)

Please make your contact no later than Friday, June 27, 2014 so the County can update the Farmland Preservation Map.

Sincerely,

Town Board & Plan Commission Board
