

**PUBLIC SERVICE ANNOUNCEMENT  
FROM THE MANITOWOC COUNTY RECYCLING CENTER**

Date: 1/22/2016  
From: Jon Reisenbuechler  
To: Herald Times Reporter/Lakeshore Chronicle

SUBJECT: Manitowoc County Electronics Collection Price Change

Beginning January 27, 2016 the Manitowoc County Recycling Center will adjust the recycling charges on a number of items accepted under the electronics collection program.

CRT TVs 24 inches or less (small)	15.00 each
CRT & Projection TVs greater than 24 inches and less than or equal to 36 inches (medium)	25.00 each
CRT & Projection TVs greater than 36 inches (large)	35.00 each
CRT Computer Monitors	15.00 each

All televisions and monitors are measured diagonally across the glass portion of the screen. Televisions and monitors must not be broken or stripped. Due to the increased health and safety issues associated with handling, storing and transporting stripped electronics or broken televisions, these items may be refused or assessed an extra fee depending on the situation.

These price changes are necessary due to the rising cost of responsibly recycling old televisions and monitors that contain cathode ray tubes (CRTs). Pricing for other items commonly accepted under this program, including LCD, Plasma, and LED style televisions and monitors, has not increased.

The Manitowoc County Recycling Center is registered with the Wisconsin Department of Natural Resources as a certified electronics collector. This means that ALL the electronics recycled through our program are sent to reputable recycling companies who guarantee the confidential destruction of any personal data remaining on your electronics, recycle or reuse all of the materials they receive, and are registered with the Environmental Protection Association and Wisconsin Department of Natural Resources.

If you have any questions, visit [www.manitowocrecycles.org](http://www.manitowocrecycles.org) or call the Manitowoc County Recycling Center at 920-683-4333.
