Due to Covid-19 precautions and the Governor's Safer at Home Order, the 2020 Manitowoc County Hazardous Waste Clean Sweep program has been postponed until October 23 and 24. This was done to minimize risk for our workers, volunteers, contractors, and participants. The event was originally scheduled for May 15 and 16 as a means for households, farms, and qualifying businesses to safely dispose of unwanted chemicals. If you were planning on attending this event, please hold onto your chemicals until the fall collection. For complete information on the Clean Sweep program, visit our website at Manitowoccounty.com/recyclingcenter and select the Hazardous Waste link, or contact our main office at 683-4333.

We apologize for any inconvenience and thank you for your understanding.
